This certificate relates to the information security management system, and not to the products or services of the certified organization. The certificate reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of this certificate. The certificate does not of itself confer immunity on the certified organization from legal obligations.

This certificate was issued electronically and remains the property of Marcum RAS, LLC and is bound by the conditions of contract. An electronic certificate can be authenticated online.

Printed copies can be validated at <https://www.marcumllp.com/services/advisory/risk-advisory-services/iso-27001-certification>
